Lviv city council

Promoting energy efficiency in Ukraine: *the best practices from Slovakia*

- Date** February 26, 2016
- Venue** Lviv Polytechnic National University, 12 Bandera Street, Lviv
- Organizers** Slovak Foreign Policy Association, Centre for Global Studies Strategy XXI (Kyiv), and the Association of Energy Efficient Cities of Ukraine with support of the SlovakAid, Lviv City Council, Lviv Oblast State Administration, Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH and the Embassy of the Slovak Republic to Ukraine
- Languages** English, Slovak and Ukrainian (with simultaneous translation)
- Goal** The aim of this event is, first, to share Slovak experience with Ukrainian partners in the field of improving energy efficiency and the use of renewables, including the best practices on the municipal level, second, to explore financial opportunities for funding energy efficiency projects in Ukraine, and third, to present successful projects from Slovakia. The event will be held under auspices of Minister of Economy of the Slovak Republic Mr. Vazil Hudák.
