Promoting energy efficiency in Ukraine: *the best practices from Slovakia*

Date	27 February 2017
Venue	Dnipro, Menorah Center
Organizers	Slovak Foreign Policy Association, Centre for Global Studies Strategy XXI (Kyiv), and the Association of Energy Efficient Cities of Ukraine with support of the USAID
Languages	English, Slovak and Ukrainian (with simultaneous translation)
Goal	The aim of this event is, first, to share Slovak experience with Ukrainian partners in the field of improving energy efficiency and the use of renewables, including the best practices on the municipal level, second, to explore financial opportunities for funding energy efficiency projects in Ukraine, and third, to present successful projects from Slovakia.
